"Eye Protection, Eye Disease Prevention & Age Related Eye Disorder Remedy"

Description : Luvimax is indicated for all types of Eye Disease. Luvimax provides nutritional support for the eye. Luvimax contains combination of antioxidants, minerals, and other nutrients. Luvimax is formulated to support and maintain eye health. Luvimax protects the eyes from damage, improve retinal function, and reduce the risk of eye diseases.

Composition : Each capsule contains Vitamin C (Ascorbic Acid) 250 mg + Vitamin E (d-alpha Tocopherol Succinate) 134 mg + Zinc (as Zinc Citrate) 12.5 mg + Copper (as Copper Citrate) 0.5 mg + Zeaxanthin (from Marigold Flower Extract) 2.5 mg (Meso zeaxanthin 0.625 mg) + Lutein (from Marigold Flower Extract) 12.5 mg + Quercetin 7mg + Bilberry (Vaccinium myrtillus) Fruit extract 15 mg + Green Tea (camellia sinensis) Leaf Extract 15 mg & other ingredients.

Indication :

Cataracts - Clouding of the eye's natural lens, leading to blurry vision.
Age-Related Macular Degeneration (AMD) - Deterioration of the central part of the retina, affecting sharp vision.

Night Blindness - Inability to see well in low-light conditions, such as at dusk or in dimly lit environments.

Glaucoma - Increased pressure in the eye that can damage the optic nerve, leading to vision loss.

Retinopathy (Diabetic, Hypertensive, Hemorrhagic) - Damage to the blood vessels in the retina due to diabetes, often leading to vision impairment.

Dry Eye Syndrome - Way too much dryness in eye, that causes irritation and discomfort.

Presbyopia - Age-related difficulty in focusing on close objects due to the hardening of the eye's lens.

Myopia - Common refractive error where distant objects appear blurry, while close objects can be seen clearly.

"Luvimax is highly effective for all types of Optical Disorder"
