

B-Derma

Neem oil (Azadirachta) 2% + Castor oil 1%

Soap

"External Treatment & Prevention Option against Acne Vulgaris & Various Skin Disorders"

Description :

Neem : Regular use of Neem can clear acne, scars, pigmentation and blackheads. Neem has high antibacterial properties that removes bacteria which causes acne. Also, it's helps to control excess oil production in the skin. Neem has anti-inflammatory properties that soothes irritated skin.

Castor oil : Castor oil is rich in antioxidants that can reduce the appearance of fine lines and wrinkles on skin. Castor oil's antioxidant properties can also improve skin elasticity, slowing down the aging process and making skin look more youthful and radiant.
